ENVIRONMENT POLICY

Oliver Kelly Construction manages all aspects of its operation in an environmentally responsible manner, appropriate to the nature and scale of our activities to ensure that they do not cause environmental pollution or any other adverse impacts on the environment.

Oliver Kelly Construction is committed to complying with the relevant environmental legislation and to a program of continuous improvement.

This will be achieved by implementing an environmental management program that will include:

- Planning of environmental aspects and impacts, legislative requirements, objectives and targets.
- Implementation and operation including specified responsibilities, appropriate training and awareness, communicated to all relevant parties and with appropriate document control.
- Monitoring and corrective action.
- Structured management review.
- Continual improvement through regular reviewing and revising objectives and targets.
